Immediately after the close of school Miss Hearde left for her home in Meridian. There, on the 14th of this month, she was married to Odin Hoff of this place. Mr. and Mrs. Hoff will enjoy a trip to Portland and Vancouver, after which they will be at home to their friends in McCall.

The people of McCall anticipate a busy summer, as the P. & I. N. railroad is running into New Meadows, with the stage connecting for McCall, so that people leaving Boise leave there in the morning and reach the lakes at night. With the enlarged hotel and rooming and boarding facilities, the McCall people hope to give the summer people better accommodations than ever before.
